

Miss Dearth's Classroom Newsletter

Don't forget: Wednesdays are Spirit Wear shirt days. You can wear a Tree of Life t-shirt with uniform bottoms each week!

Please make sure that your child's Take Home folder and planner are coming to school with your child each day!

We finished reading *The BFG* last week. The students loved this story! I look forward to sharing the movie with the students in class! I will keep you updated on when we plan to watch it. If for some reason you are not okay with your child watching it, please let me know!

Although, we do not participate in Book Parade in the typical way in fourth grade, please plan to be here on October 15th! We will be working on something different that night, please let me know if your child will not be there. More information will be coming out soon!

We are preparing to begin a mini-unit learning about businesses. We are preparing for Mini-Corporation Day which will coincide with Open House/Book Parade night. More information will be coming home very soon!

Bible Verse:

Psalm 147:5

Great is our Lord and mighty in power; his understanding has no limit.

Please ask your child about the STEAM project we have been working on!

Students built houses to try to withstand a simulated hurricane. Hurricane Peppa Pig (they voted on the name) hit our classroom on Friday. The students got to see how well their houses stood!

This week, we are going to be working on writing a story. The students have loved reading *I Survived* books. They are going to write their own *I Survived* story, explaining about how they survived hurricane Peppa Pig. We are going to be working on writing this story for possibly a couple of weeks. They started brainstorming their stories last week. We will then analyze what went well with their building and what they would change in the future!
