BOOK-IT!

Hello Parents,

Last week was a great week! I felt like we worked hard and we learned heart-felt lessons about good behavior and being kind to one another! God is surely working in our room!

We will begin the Pizza Hut Book-It Program this week.

Your child will have the October reading calendar in his/her bookbag. I'm looking forward to hearing about the exciting books that each child will be reading. At the end of October, your child will return the calendar to me and I will give them their free pizza awards from Pizza Hut. This is a great way to encourage your child to read on a regular basis. Your child will not become a better reader if he/she doesn't read! :) I will be giving special awards too! Thank you for your help with this super reading program!

In His healing power,
Cindy Snavelly
