

"ALL the BUZZ" - K Newsletter

September 23-27, 2019

Dear Parents,

This week we will do letter Ss. The curriculum builds so we will now blend a, s and m together. Students should practice their weekly reader and sight words many times during the week. The words build on one another and if the students get behind, they will not be on grade level. Thank you so much for what you bring to the table. All unit 1 sight words will be tested next Monday, September 30. We will have our first reading unit test next Monday.

Family Fun Night was so much, well...FUN! We had a downpour of rain and moved everything into the gym. Thanks so much for your flexibility and thank you to Mr. V and Ashley Sanders for coordinating the event!

When students complete their homework, please have them work with pencils and crayons. Letters should be formed with correct formation and the students should work with the best quality that they can. We want to practice great habits from the start.
