## Week of *September 23rd, 2019*

### Notes from Mrs. Taylor

It is officially the fall season! Together we will welcome autumn colors, falling leaves and the changing weather.

God had Abraham look to the sky and asked him to count the stars...that would be how many offspring Abraham would be blessed with and Abraham believed. (Genesis 15: 5-6)

This week, we will practice our counting skills. We will count the clock and talk about the events of our day. It is always a good time to look for God's blessings!

Our farm field trip is just around the corner. I will need to know which parents can drive. So far two parents have volunteered. We will need 2 more. Please consider if you are able to drive. If you are attending/driving, you will need to fill out the volunteer form on the Tree website.

(tolcs.org; myTree drop down for "School Forms", click on Volunteer Forms)

### Bible Verse

Abraham believed the Lord and the Lord counted it to him as righteousness.  
Genesis 15:6

#### **Theme: Welcome Fall!**

**Books:** Fall, Fall is for Friends, Fletcher and the Fall Leaves, Hickory Dickory Dock, Hickory Dickory Dog, What's the Time, Mr. Wolf, Ten Hungry Pigs, Ten Black Dots
