## Week of *September 30th*, 2019

### Notes from Mrs. Taylor

This week we will talk about why we need farmers and farms. We are blessed to have so much food and such a variety of food! We will use the words crops, harvest, soil, and livestock.

Our students need a little help identifying squares, rectangles and triangles. We get them mixed up from time to time. We will keep practicing at school as well :).

Our farm field trip is just around the corner. I will need to know which parents can drive. So far two parents have volunteered. We will need 2 more. Please consider if you are able to drive. If you are attending/driving, you will need to fill out the volunteer form on the Tree website.

([tolcs.org](http://tolcs.org); myTree drop down for "School Forms", click on Volunteer Forms)

### Bible Verse

**Luke 5: 26**

**Everyone was amazed and gave praise to God. They were filled with awe and said, "We have seen remarkable things today."**

### **Theme: Farm and Scarecrows**

**Books:** Farm, Scarecrows, The Scarecrow's Hat, Otis and the Scarecrow, Barnyard Banter, Tractor Mac Builds a Barn

**Bible:** Jesus heals a paralytic man (Friends help together!)

**Music and Movement:** Throwing footballs, "Fly Away Crows", Scarecrow relay, throwing frisbees

**Math:** Match my number; Top, middle, bottom

**Letter Play:** F for farm, football, five fingers, funny faces
