### Upcoming Dates

September 25- Trip to Innis Woods. Leave at 10 and arrive back by 1:30. I was not able to get enough drivers for this trip, but thankfully the bus was available for us. Parents who offered to drive may join us on the bus.

October 14- Picture retake day

October 17- Open House from 6:30-7:30

October 18&21- No School

October 25-Book Parade

### Notes from Mrs. Martin

This week the children will take their first reading unit test with our new curriculum. We will spend the whole week on the test, so that we can work through it slowly and carefully. We are going to do the writing piece together as a class so that the children will know exactly what is expected the next time. Since we are spending this week on the unit test the children will not be tested on the spelling words on this newsletter until next week.

The children worked hard on their biome projects last week. They did an excellent job sharing, and I think they all learned quite a bit. They were given the chance to be "Science teacher" for a day and I even learned quite a bit from all of the research they did.
